

AJFC Team Song

Here's to the Red, White and Black

We'll never falter, we'll never slack

When those Ainslie champs go marching onwards to victory

Are we good, are we good are we very, very good

We are a team of champions

It takes a good team to beat us

A better one to thump us and Ainslie knows it's true (yes, we do)

Are we good, are we good are we very, very good

We are a team of champions!
