We are a team of champions!!!!

PRESIDENT'S REPORT

Another rewarding season for the Ainslie Football Club in season 2019. Not as successful, in terms of premierships won, compared to the past three years, but still a season to celebrate our continued growth and achievements, in particular congratulating Chris Rourke and his coaching staff and players on winning our 28th First Grade flag.

Again, we were challenged with the loss of some quality players at the end of last year, however it was the strength of our junior players/program that held us in good stead.

Overall our numbers across all grades are excellent. In the senior competitions we fielded seven teams (Men's and Women's 1st Grade, Men's and Women's 2nd Grade, Rising Stars, Division 3 and Division 4) totalling 173 men and 88 women players. We acknowledge the players and coaches across all the senior grades for their dedication and loyalty to our great club.

In our Junior Program we fielded 28 teams, including 8 girls only teams, totalling 516 players of which 191 were girls. We also have 56 Rookies. This is a fantastic achievement and I'd like to congratulate the hard work of our Junior President Sue-Anne McKeough and Junior Administration Officer Lyn Parkinson along with all the coaches, managers and parents. The growth in Women's and Girl's Footy is particularly noteworthy,

Off the field the running of the long lunch with Carlton legend Stephen "Sticks" Kernahan was another great day, along with our sponsors days and the annual AFC golf day. A lot of effort goes in to running these events so my personal thanks to all involved.

On April 27 we celebrated our Back to Ainslie day. It's one of the biggest days of the season for our local community; not only were we playing one of our biggest rivals in Belconnen and unveiling our three premierships flags from 2018, but also celebrating Dani Curcio's 200th Game.

Dani Curcio is the first woman at the Ainslie Football Club to have played 200 Senior Games. This milestone match was motivation for the girls to dig deep and play to win. In what was a busy week for Dani, it ended in terrific style with a best on ground effort as we downed the Belconnen Magpies.

This is a massive achievement for anyone but particularly Dani, considering the brevity of some of the women's seasons. She's been playing for longer than some of the girls have been walking, a true legend on and off the field and there is no greater club person than Dani.

Despite a knee injury that was described by physios as "football ending" a few years ago, Dani's never say die attitude has seen her come back to footy bigger and better than ever.

A number of our senior male players celebrated milestone games this year so our congratulations to Jason Fleming on 100 games and Hayden Armstrong, Henry Delves, Simon Horner, Matthew Teasdale and Hugh Phillips on achieving their 50 game milestones.

We also partnered with one of our Charity Partners to raise much needed funds for Rise Above-Capital Region Cancer Relief. With the assistance from our sponsors and all that attended along with AFC's contribution from the gate and collections on the day, the total amount of funds raised was in excess of \$4,000.

In continuing our relationship with the community, on August 10 at Alan Ray Oval we partnered with the Eastlake Demons Football Club to raise funds for "Tackling for a Cure". An initiative of the Eastlake Football Club, the Tackling for a Cure campaign sees the club donate funds for every tackle made by the players through the AFL season with funds going to the University of Canberra's Melanie Swan Memorial Translational Centre. Ainslie donated the gate takings and passes the bucket around for donations from Ainslie and Eastlake players and supporters, resulting in \$450 being raised.

Our juniors continue to provide us with optimism for the future with;

- Rising Stars Women's team, coached by Greg Bishop, winning the Grand Final over the Queanbeyan Tigers.
- U12's boys winning their Grand Final with an exciting 2-point win over Marist.
- U17's boys losing their Grand Final by 13 points to Belconnen Magpies, and
- U15's losing their Preliminary Final to eventual Premiers Queanbeyan Tigers

The positive growth in our social media presence is assisting in the maintaining, developing and promotion of the AFC brand. Our successful Volunteers Recognition Evening is well received along with our continued strong player retention and recruitment of new players, all indicating a very inclusive environment.

On the Board front we lost one of long serving Board members and general work horse in John O'Loughlin when he moved to Albury for work. John has made a huge contribution to the AFC and will be missed but rest assured he'll still be involved in some capacity.

John was appointed to the Board in 2006 and has had numerous volunteer roles at the club over the past 21 years, and the current canteen area is named in his honour.

With John O's departure we have been fortunate to have Megan Divett join us. 'Megs' has immediately made a significant impact, taking a leadership role in a couple

of our Strategic Plan planks, website redevelopment, Communications Plan, and in general Board discussions. This has been a great addition to the Board's breadth and depth.

It would be remiss if we didn't thank Jimmy Rice and his family for their selfless efforts in filling in for Chris on a number of occasions this year both in a football and personal capacity. Jim - heartfelt thanks for your contributions to our Club during your period here, and we wish you all the success in your new role as Senior Coach at Tuggeranong Hawks.

In closing, we are a proud and successful club. Our success has been built on the work of many individuals who, like us, have led this club and nurtured the broader AFL competition in Canberra. We are a club that is committed to success on and off the field and that success wouldn't be possible without our sponsors. Our special thanks to;

Wayne Rogers, Simon Paterson and the AF&SC Board
John Solomon and his team at Moray & Agnew Lawyers
Holly Komorowski at Homes by Holly for her support of our Women's Program

Chris Donohue at Hip Pocket Workwear & Safety
John Grigorakis and his team at Volvo Cars Canberra
Ian & Lynne Turner at The Butcher Shop

Rob Ericsson at Capital Clinic Physio
Andrew Toy at Modena Appliances
Nick Paine at Luton Real Estate
Ged Stenhouse at RSM Bird Cameron
Don Nolan & Ben Hackett at PSC Insurance Brokers, and
Manuel Xyrakis at Ainslie IGA.

To Simon Holt, Lyn Parkinson, Chris Rourke and Junior President Sue-Anne McKeough and the AFC Board of Directors, thanks for your continued support and all the work that you do above and beyond the call of duty.

My view as President is that the most significant role of the Board is to ensure that 'behind the scenes matters' such as Governance, Finances etc are under control, thereby allowing players, coaches and officials to concentrate solely on footy performance

Our work on our Strategic Plan is ongoing. It involves regular evaluation and discussion by the entire committee at the club. This enables us to become transparent and it is then possible for our community to identify what the role of the Ainslie Football Club is and what we stand for.

2019 has been another rewarding season and the challenge now is to continue to deliver more success for this great club.

GENERAL MANAGER'S REPORT

There are multiple reasons to be proud of our Ainslie Football Club!

It is no exaggeration to state that we are the preeminent footy club in the ACT competition. Apart from on-field performance, more of that later, it is worth noting that we are the sole club in the ACT Canberra competition that fields teams in every grade available, regardless of age group or gender. It is also noteworthy that we have the highest number of participants in the local competition.

Having said that...what an amazing season! While football seasons are regularly defined by results – a flawed process – this doesn't reflect the enormity of what goes on publicly and behind the scenes. Football Operations set its goals at the beginning of the season and despite various roadblocks we achieved what we set out to do in 2019 – Men's 1st Grade premiership success and an improved Women's Footy experience.

Congratulations to our resilient and impassioned Men's 1st Grade coach Chris Rourke, his amazing team of support staff, our enormously influential captains Aaron Wiles and Henry Delves, and the other 37 wonderful players who worked so hard to win our 4th Premiership in a row. Chris becomes the first coach to lead Ainslie to four consecutive premierships.

The season will be remembered as the first time a Club has won under the three "equalisation" provisions:

- Salary Cap – a large reduction to player payments from 2018
- Player Points Allocation (PPA) – Ainslie played with 32 points, two points less than our closest rivals. This was two points less than the 34 points in 2018.
- Local Juniors – a local rule requiring teams to name 10 "local juniors" in their 22.

Congratulations to all involved in our Women's football program, which has been an area of increased focus in 2019. In past years the Women's coaches, supporters and players have, to a great extent, been left to fend for themselves. The Board considered this during the off season, and committed to doing this much better. 2019 saw this change, and we were extremely fortunate to be able to welcome to the Club Kristen Woods and Britt Tully to head up our Women's program and to work alongside Chris Rourke. The participation numbers that exploded in 2018 were replicated in 2019, seeing the club again fielding two Women's teams. Britt took on the role of playing coach with Kristen overseeing the entire Women's and Girl's footy program, and 2018 coach Fiona Van de Made (2019 Women's 2s coach) joined Britt and Kristen in playing an integral role in this transition period.

The program succeeded through enhanced team performances, better training commitment and improved connection to our Girl's teams (especially the Girl's u18s team). Our on-field results were better than 2018 as was

the manner in which the team played, seeing the team qualify easily for finals. Significant results included beating and drawing with Belconnen in the home and away fixtures and then beating 2018 premier Eastlake in the elimination final – the first final win for many years. The increased participation of women/girls at preseason, the focus on playing a set role, the involvement of our u16s & u18s girls in playing for both the Women's 1sts and 2nds, and the improved dialogue across all teams represented just some of the positives. As is the case in all parts of the Club, there is still plenty of room for improvement, but the journey is well under way, and the momentum is gathering.

Our ongoing relationships with the Ainslie Group and our other sponsors continue to be critical to our on-field success. The Ainslie Group is our major financial contributor and we are enormously grateful to Wayne Rogers (President) and the rest of the Ainslie Football & Social Club Board for their ongoing support. Additionally, the support provided by the administrative and functions areas of the Ainslie Group is highly valued and appreciated and we thank Simon Patterson (CEO), Stephen Gallacher, Andrew Hunter, Chris Simms, Leanne King and the rest of the team at both Gungahlin Lakes and Ainslie for their supportive efforts. The challenges facing Community Clubs in the ACT continue, particularly in the gaming area, and significantly impact on the funding that the Ainslie Group is able to distribute to community groups. The increased need for sponsorship and fundraising dollars is not lost on Football Operations. Despite the changing Club environment we are comforted knowing that we are in very good hands. The ongoing challenges to our major financial partner reflect the strategic direction that the AFC Board has set in terms of its funding sources. The Strategic Plan has identified the goal for the AFC to reach a 50/50 income generation model, whereby our AFSC grant is matched by our other income sources. In 2019, 61% of our income came from our AFSC grant and 39% from other income sources. The budget for 2019-20 sees the ratio at 54%:46%.

Moray & Agnew (Lawyers) continue as our Principal Sponsor, and in John Solomon we have a wonderful friend to the Club. His guidance and knowledge is enormously appreciated as is the legal support for footy operations and players, both on and off the field. His contributions in Goulburn at the post Grand Final day celebration will be warmly remembered by many for years to come.

Home by Holly have warmly embraced their involvement as major partner in the Women's/Girl Footy space and we are delighted to continue our association with them. The Club fielded two Women's teams and eight Girl's teams in 2019, an increase of two teams. With well over 250 registered female players (nearly 200 girls), the growth continues to be amazing. Since 2016 the number of

Women's players has almost doubled (to 74 from 38) while in the same period our Girls numbers playing Junior Footy has grown an incredible 885% (to 186 from 21).

In addition to Moray & Agnew and Home by Holly, the club is proud to have ongoing and very positive relationships with the following organisations as Major Sponsors:

- Club Lime
- The Butcher Shop
- Hip Pocket Workwear
- JS Sports
- Luton Gungahlin

In addition to our Major Sponsors we are greatly appreciative of the support of all our other Sponsors. Each organisation's connection to the AFC provides significant value to our football program and we are blessed to have a relationship with each and every one of our sponsors. Please make sure that wherever possible you take the opportunity to engage with and support our sponsors.

Our engagement with sponsors can take us to a variety of places. The AFC is represented significantly in the IGA's 1400 stores 1400 stories campaign, a great story on the Ainslie IGA including some terrific vision of AFC and the Alan Ray Oval. This can be viewed at - <https://youtu.be/w34qQgu0DIk>. Another story centres around our Women's football program and some of its key stakeholders, including Holly Komorowski from Home by Holly. This was aired on the RiotACT and can be found at - <https://www.facebook.com/riotactnews/videos/920017321672310/>.

One unexpected change to the season's footy experience was in Community Football. The change saw a smaller competition limited to Clubs that had teams in each of Women's 2s, Men's 3s & 4s. While simplifying travel requirements, the change in the competition saw our teams up against Clubs that only had Community teams (no teams in Men's or Women's 1st Grade). The result was that wins were even harder to achieve than in past years.

As has been highlighted before, there is no doubt that our Senior Football teams get the major focus of attention. However, we believe that the interaction with our Community Football teams continues to improve. However, this is only possible with the right support from the coaches and support staff of our Community teams. This space sees an enormous number of new players to the sport making the difficult task of fielding a team and filling the off-field roles tasks even harder than faced by most teams. A terrific initiative this year was the introduction of 'Popey's Toasties' operating out of the Memorabilia Room for Men's 3s & 4s games, and post-match drinks.

The Club is enormously blessed by having the involvement of quality people like Fiona Van de Made, Tommy Lemmon and Giles Tranter. They understand the unique roles they play in the club and Footy Operations will never underestimate it. The challenge of bringing together really good footballers who have opted for a more social footy

option (social not soft) with those that are giving footy a go for the first time is a tough gig. Plus, the test of dealing with our Senior teams when they want to take/give players at short notice. To manage this in such a positive manner takes people who are engaged with the big picture of the Club and, as mentioned before, we are very fortunate. Alas it looks like Tommy and Giles might be taking a well-deserved break from coaching in 2020; we hope we can keep you around in some capacity and deep thanks for your enormous help.

It would be remiss not to mention our Men's and Women's Rising Stars teams, and our Men's 2nd Grade. The Rising Stars teams again blossomed under the guidance of Harry Dunstall (male) and Greg Bishop (female). This is a challenging age group as teams start to transition into Senior Football. Perhaps the biggest challenge is the directive from Football Operations that player development far outweighs results. This is somewhat contrary to human nature and it is hard to fully explain to players and parents that, basically, lower grade football is successful when players come through it and go on to play good higher-grade football. And our Men's 2nd Grade team was almost a Rising Stars team in itself, with the vast majority of players being under the age of 21. This is an exciting group and their ongoing development requirements have changed due to the absence of experienced veterans.

Our major fundraising event, RSM's Ainslie Football Club Business Lunch, brought Carlton legend Stephen "Sticks" Kernahan (as guest speaker), and comedian Dave O'Neil to Canberra. The event wouldn't take place without the terrific support provided by Ged Stenhouse and his team at RSM, and we look forward to the continuation of this relationship; we are already locked in for 2020. I suggest that the heavy workload of Golf and Dinner prior to the Friday Lunch may have slowed down Sticks (shame on you the die-hard Blues fans that may have partied too hard with our guest speaker) but in unison with the incredibly funny Dave O'Neil, another successful lunch was had. Our guests numbered about 280 and we look forward to replicating the success of the event with more brilliant guests in 2020. The high calibre speakers we have had, the arrangement of the room and the high quality of food/drink at the event continues to make it the best Footy Lunch on the calendar. Again, many thanks to the Social Club.

A football season is unlikely to be completed without its share of challenges. Amongst these, our Men's 1st Grade Coach had a moment he would like back when he called out an inappropriate comment during a game early in the season. The Board proactively addressed the matter, assessed that Chris' behaviour was inconsistent with the high values that we hold to as a club, and imposed a two match suspension. AFL Canberra endorsed this. Chris missed key games against Belconnen and Eastlake. Chris' ability to turn a negative situation into a positive learning experience is to be admired - recognise what happened,

accept the consequences, identify how this can be utilised for the betterment of himself and the club, and renew the aspiration to model the Club values.

There continue to be many other examples of inspiring people within our Club, both on and off the field. Those recognised at our Presentation Night are just some, but this represents just the tip of the iceberg. However, the AFC Volunteers of the Year deserve specific mention. The Cawley family – Michael, Tracey, Tegan and Nathan – has and continues to make a significant contribution to the Club, in both the Senior and Junior programs. They are a terrific example of people doing something for others, not in self-interest, but because of their community spirit.

Plus, what about some memorable Milestones achieved during the year – Dani Curcio notched up game 200, our first woman to reach this milestone, and Jason Fleming, played game 100 after coming to Ainslie in 2010. Dani has been playing with Ainslie since 2002 and the team celebrated her achievement with a memorable victory over Belconnen. Jason's teammates also managed a victory in his milestone game, but a season ending broken hand made it memorable for the wrong reasons. A different type of milestone saw the three Beaumont brothers playing 1st Grade together – Nick, Will and Heath. A cracking effort from a terrific family.

In addition to the Men's 1st Grade Premiership trophy (four in a row), the Club retains the Cock of the North (played v Belconnen) and Sammy Dee (played v Eastlake) trophies, and the season saw Fraser Hawkins win the Muir Medal and Lachie Carter win the Read Medal.

As a community football club, 2019 saw us work very hard at embracing our community. We hosted a number of significant football events over the season:

- the National Police Championships in October, a very successful event with some very good football.
- The Canberra Demons opening game of the season
- Lyneham High v Alfred Deakin High (Girls years 9 & 10)
- AFL Canberra's Major Semi Final

As well, we hosted various training and school events

- GWS Academy
- School holiday programs with Active Attitudes
- School holiday programs for the YWCA
- NSW u15s boys and girls State teams

The Club also provided donations totalling in excess of \$10,000 to the following organisations:

- Police Legacy (as part of National Police Championships)
- Rise Above, a cancer support group (part of Back to Ainslie Day)
- Tackling for a Cure – supporting Eastlake's relationship with Uni of Canberra's Melanie Swan Memorial Translational Centre in cancer research.
- Fight MND

Plus, there were some terrific Club videos put together by

people within the club as part of, and in support of RUOK week.

Our community engagement days, the Ainslie Open Day and the Back to Ainslie Day were again successful events. The Open Day provides opportunities for people new to AFC to check out who and what we are, and for others to catch up again with footy mates. The requirement that the Men's 1st Grade team include 10 'local juniors' each week heightens the importance of having a strong base of Junior players, but the principal desire of our junior footy program is to provide opportunities for young people to have a place to partake in a community sport where the focus is on fun, fresh air, exercise, sportsmanship and skill development. Our Back to Ainslie Day this year included a mixed Primary Schools relay race. Congratulations to the team from Ainslie Primary School for their win and thanks to the Walking Clinic for their generous prize.

Many Thanks to so many.

- Wayne Rogers, Simon Patterson and all AFSC Board members and staff for their ongoing assistance
- Jimmy Rice (and family) for his (their) unbelievable flexibility and willingness to cover coaching absences on both game day and training days, many times at very short notice.
- All Coaches and Managers of all teams, Senior & Junior
- Andrew Toy, Michael Cawley, Brett Hannam and Michael Richardson – the Maintenance Committee
- The numerous volunteers that drive our Club
- The involvement of Tim Guthrie, our Player Wellbeing coach – a resource I'm really glad we continue to have.
- Nathan Cawley, Hayden Armstrong, Hannah Solly, Joe Hatch for their Social Media and Newsletter contributions
- Sue-Anne McKeough our Junior President and Lyn Parkinson – particularly for all their work in the Junior Footy environment
- Chris Rourke – great coach, magnificent Club person and someone that really does care about all those in the Club. I continue to learn from his insights into people. He continues to be as passionate today as he was when he started with the Club 13 years ago.
- And to my family who continue to let me indulge myself in Footy and tolerate my in-season vagueness.

We may not have won the same number of trophies in 2019 as past seasons but we did achieve some really significant things and have created some solid foundations upon which to further build. The goals for 2020 will be as difficult to achieve as they have been in the past, but the intent to succeed is as strong now as ever.

The enjoyment gained from being part of a team is enormous, and is an experience we can all share in. So many of the tasks needed to make a Footy season don't require much footy knowledge, but simply a willingness

and desire to help. If you have time in your life, fill some of it with Footy, you'll love it.

Finally, some additional thanks.

To Lee Phillips (President) and all directors/volunteers on the AFC Board, thank you to all of you for your support of football operations and me personally. It is invigorating to know that this club is not driven just by on-field success but by so much more. The Board is committed to our players, our volunteers, our staff, our facilities, our governance, our community. I look forward to where that takes us in 2020 and beyond.

To our Football Operations staff Chris Rourke and Lyn Parkinson. Lyn started in the Junior Football Administrator position in March, and has been a huge contributor to the club, particularly in the junior space. Her willingness to get stuck in, and her judgement of what to chase and what to manage has been outstanding. Starting in the role at such a difficult time, just prior to season start, and faced with the reality of not having a

draw for half the season, Lyn has done a truly great job.

Chris has had a very difficult year away from the Football with Julie being so unwell. His ability to create a structure where he can successfully delegate to others, and find quality people to delegate to, has meant that what would normally be a disaster was almost carried out seamlessly. To all those people that assisted Chris, to allow him the necessary freedom to be with Julie when he needed to be, an enormous thank you. Clearly there are times in any community when it is your time to support another; thanks for grasping those times. While not as important as Julie, football and all its elements have been integral in keeping Chris energised and best able to support Julie. Amongst the chaos in his life, Chris has managed to keep delivering a great football product and a great football team. We sincerely hope that 2020 provides fewer hurdles for Chris and his family.

Let's "Strive for 5".

SENIOR MENS COACH'S REPORT

After a very successful 2018 season where we managed to win our third flag in a row, 2019 shaped up as a tough task and early on in the pre-season, success looked to be a long way off for the following reasons: Canberra AFL, in their wisdom, introduced a salary cap of \$100,000 (basically half of what we spent the year before), and deducted another point off our player points allocation (keeping us 2 points below everyone else). We also had to deal with a number of players retiring or moving on, namely superstars Paine and Salter, as well as premiership players Maynard, Griffiths and Richardson, and we had long term injuries and unavailability (Bernasconi, O'Neil and Sienkiewicz)!

So pre-season started in early November and as usual was really well attended by our younger players who were keen to fill the spots of the players that had left. Training was upbeat and as we finished up for Christmas there was an air of excitement about the coming season as a number of players who had played in our successful Rising Stars and Reserve grade teams were reaching new heights in their fitness.

February came and pre-season was in full swing. Our squad was starting to take shape, the return of former captain Ash Harris and young ruckman Billy Muir was a huge bonus for the club and we went into the practise matches with a young, fit and talented team. Early indications showed our best would be very good (and our worst was really bad), but that is the nature of young immature footballers. At this stage I still had no indication of what our season would produce and the word around the competition was Belconnen and Queanbeyan had recruited well and Ainslie would slide down the ladder!

Our season kicked off against Tuggeranong, where we had a strong win. This was followed by an exciting draw against arch rivals Belconnen and then we were taken apart by an aggressive and very impressive Queanbeyan. We were still playing "hot and cold footy" with many of our young players still struggling with their concentration, but you couldn't fault the enthusiasm of youngsters Spencer, Roughton, Ackland, Beaumont and the classy Jamieson; we just lacked an experienced head. Enter Jordan Doering, a veteran player with a fantastic football resume who walked into our club and after watching a few games thought he could provide what was missing. From his first game it was so noticeable that the team had a certain calmness and cohesion, and from there on in we took on all comers and finished the home and away season in top spot after only losing the one game.

We played our first semi-final at Alan Ray Oval against Belconnen, who as usual were very confident of an upset win. Even though they hadn't beaten us throughout the season, they had seen enough to think they had our measure. The game started in the usual fashion, tough

and hard, but Ainslie had swung champion winger Simon Horner from the wing to the ruck and his dominance, together with forwards Doering and Armstrong being too strong and clever for their opponents, saw the Tri-colours jump out to a handy lead. Ainslie held this lead all day and ran out comfortable winners, but once again were outscored in the last quarter, something the Magpies had managed to do in every game against us during the season. The win saw the Tri-colours enter our fourth grand final in succession!

The grand final saw Ainslie once again playing Belconnen who had won a thrilling final against Queanbeyan. Ainslie were forced to make one change from the second semi-final win, with Hugh Phillips hurting a hamstring and being replaced by the talented Ben Jamieson who had missed the previous game with concussion. In blustery conditions and on a fast track at Manuka Oval, Ainslie got off to a flyer as we had done in previous grand finals and had five goals to zip at the end of the first quarter, but we were kicking with the help of a three goal breeze. The next one and half quarters were tough hard finals footy with Ainslie defence proving too strong and repelling the Pies' many forward thrusts, and half way through the third quarter the Pies had only registered one goal, but the game was still very tight. Ainslie, through the experienced O'Neil and Doering, kicked 2 quick goals to finish the quarter full of running. The last quarter would see the Pies kicking with the aid of a strong breeze and as had been the case all season, this was their best quarter so the pressure was still there and an exciting last quarter was on the cards. But this Ainslie team had dealt with adversity all year and came out all guns blazing as the midfield, led by ruckman Horner and the brilliant Harris, Ledda and Wiles, dominated the last term and the Tri-colours ran out convincing winners - and had won four in a row!

All premierships are special but this one is especially so as I believe it was really "player driven"; at no time did they ever stop believing. They were disciplined, committed and brilliant through all the dramas that occurred throughout the season. This group has great leaders in Wiles, Delves, Armstrong, Cuzner, Harris, O'Neil and Bernasconi, brilliant youngsters in Spencer, Roughton, Ackland, Jamieson, Foley and Powell, and to top it off, players of the ilk of Hirst, Taylor, Ledda, Phillips, Carter and Costigan - players who week in week out do their jobs.

I would like to thank my coaching staff especially Jimmy Rice who went way beyond what is required of an assistant; in my absences the club didn't miss a beat. Jim coached masterfully on every occasion, training ran like clockwork and his ability to relate to players is second to none. To my match day coaches in Heaven and Sinclair who make Saturday fun, to my runners in Andrew Toy and Brett Sheehan - it's a thankless task and you both do

it in such a professional way. Our medical team led by Capital Clinic, Sticks and Dave, and the trainers led by Ali Hirst all do a magnificent job in making sure our list is fit and healthy. To our team manager, the unflappable Glen Brown, timekeeper and club legend James Hornyblow, thank you all for contributing to making this club the powerhouse it is.

To my board led by the very tolerant Lee Phillips, the Ainslie Group and our much valued sponsors (a special mention to John Soloman from Moray and Agnew who has helped me personally throughout the year) - thank you for providing us with such great resources and especially for the continued support I receive from you all.

A special mention to General Manager Simon Holt, a man whose patience I must severely test every day, thank you for your wisdom, commitment and friendship.

Finally to everyone involved at this great club - as you all know my family "really has had the year from hell" but the

support and love shown by all has been overwhelming and we as a family would like to thank you and have no doubt the love shown to us has contributed to Julie's positive outlook in her fight against "the beast".

SENIOR WOMENS COACH'S REPORT

In 2019 women's football at Ainslie made massive progress. We started the year unclear about how we would come together, while maintaining two consistent teams each weekend.

As a whole squad (Div 1 and 2's), we had consistent numbers at training and could consistently field two sides each weekend-not without its stresses but we got there!

Our year started well, with a good win against Tuggeranong followed by a few games of narrow losses.

We had our fair share of injuries, but this also allowed us to see the depth that we have, not only in the women's squad, but also through the youth girls. Special thanks to Ellie Bishop, Tess Cattle and Khiana Smith who consistently played up in the women's team.

We knew the easy part was to make the top four but the hard part would be to make it anywhere past that. By our finals campaign we had more than enough players to pick from every week, resulting in some people missing out-which is an achievement in itself.

We had a few personal achievements to acknowledge:

- we had nine girls play in the north vs south game this year, proving that Ainslie is putting forward great talent within the ACT.
- Danielle Peel polled 3rd in the Division 1 women's best and fairest
- Teigan Hawke was in the women's team of the year.
- we consistently had three u18s playing in the Div 1 women's side.
- Dani Curcio played her 200th game of football for Ainslie.

Important to recognise some of our key standouts throughout 2019-

Most Improved 2019 - Claire Hanscombe

Claire consistently improved throughout the year. She always took on board things to improve and any task we threw her way - she never backed down. I look forward to seeing how far you can take your game in 2020!

Coach's award - Emily Hawke

Her skills over the year improved out of sight and she relished any opportunity thrown her way. Em is not afraid to put in the hard work and I can see her as a future leader at this club.

Women's Club Person Award 2019 - Zoe Skyrianos

Zoe was around this year from early pre-season putting in the hard work with the rest of the girls!

We didn't know how much she would play on the field with us, but any game we got was a blessing!

Zoe has an obvious bond with everyone within the team and is highly respected.

A knee injury ended her season, but not her commitment. She continued to show up at trainings and games to support the girls - both seconds and firsts.

Late in the season Zoe proved to be superb as an extra coach, PT (at times) and a sounding board for the coaching panel, and assisted us in going forward. She was integral to our success.

I think Zoe was the ultimate club person and I look forward to you being back around next year!

Player's Player 2019 - Teigan Hawke

Always putting her body on the line and playing with a team first mentality. Even with missing about five games through injury.

WOMEN'S FIRST GRADE RUNNER UP BEST & FAIREST 2019 -DANI CURCIO

Dani brings so much to the team week in and week out. She is unlike any other ruckman in the competition in terms of her tap work, agility, skills and obvious goal kicking ability.

In closing, I have been very proud of the way the girls have gone about this year. The key to next year is keeping this squad together and improving altogether.

Special thanks to all the sponsors, especially Homes By Holly; the club- specifically Simon and Chris.

And also, thanks to the support crew in Rippa, Chris, Bomber and Woodsy for sticking it out with me on those cold winter nights and also to Hannah (Solly) for doing our socials and also being our newsletter writer

Bring on 2020!

MEN'S RISING STARS (U18s) COACH'S REPORT

2019 proved to be an up and down year for the Rising Stars. When we were at our best, we were the best football team in the competition (our semi against Eastlake was a highlight). But unfortunately, when we were off our game our worst was not great, and we lost a lot of games in the lead up to the finals, after being top of the ladder at the half way mark of the season. This resulted in us finishing third on the ladder at the end of the home and away season, which was not the worst result in the world as I had expected that we would be meeting Marist in the grand final whichever pathway we took to the finals.

Unfortunately, things did not go to plan - Marist had a shock loss to Tuggeranong in the major semi-final, which meant we played our 'grand final' at Manuka a week earlier than expected. We played a great game of football, but a couple of things did not go our way - all teams need a little bit of luck, and alas this deserted us on game day. To be fair, Marist were a really good team and the preliminary final was a hard fought and high quality game - there was nowhere to hide on the field. Both sets of coaches said after the game that it should have been the grand final.

I think to be a really good team we needed to be more disciplined and consistent - so that the difference between our best and our worst football was less than what it was. This is a lesson for the Rising Stars in 2020. Attitude and team culture will also be key themes for 2020, as we will have a lot of players vying for positions on game day.

All said, it was a very enjoyable year for the playing group, although often frustrating from a continuity perspective as we would often have 6-10 players unavailable each week - and often a different 6-10 players each time. It was also important that the Rising Stars supported the young Division 2 team, and we would regularly have players playing up in Division 2, in addition to players being away for Giants duty, injury or other unavailability. The upside was that many players got to play in different positions and roles throughout the year.

One of our challenges this year was that the Under 18s were also supporting the two under 17s teams, with half of our eligible Rising Stars being allocated to one 17s team, and the other half to the other 17s team. A big thank you to these players - without them backing up week after week, we would not have been able to keep two 17s teams in the competition, let alone have both of them make the 17s finals (with one team playing in the grand final). However, the toll of playing two games each week probably contributed to the Rising Stars' poor back half of the season.

Overall, 2019 saw a total of 39 players play for the Under 18's with many of these coming up from the younger of the two under 17s teams, giving them a great experience but also a realisation of the challenge of playing Rising Stars - there is a difference between playing junior and senior football, and the Rising Stars is a big step up from 17s football as many of the players found out.

I would like to thank many people for their help and advice along the way. Big thanks go to senior coach, Chris Rourke, for his support and patience (particularly with us occasionally not getting off ARO when we should have). Also, General Manager Simon Holt for his common sense advice, and Lee Phillips and the rest of the Ainslie Football Club Board for setting and leading the club culture.

And, of course, my great thanks to my co-coach Paul Sheffield and manager Steve Martin for their support and loyalty, and Adam Bulakovski as team trainer.

Thanks also to the 17s coaches - Karl Vaivads and Ian Bennetts - we were constantly needing to take players from the 17s and have them play two games, and there were some weeks where none of us were sure how we were going to get three teams on the field.

Lastly to the players, all 39 of them (and their parents!). It was a great year with lots of individual stories, lots of ups and downs, season ending injuries, players coming back successfully from long term injuries, players making comebacks after years out of the game, some truly outstanding football, some less than outstanding football, but above all it was a fun year and a pleasure and privilege to coach the team.

I look forward to seeing the progression of the older players into Division 1 and 2, and seeing the younger players back for another year of Rising Stars where they will be vying for positions with a new group coming up from the 17s. It augurs well for the Rising Stars and Ainslie in 2020.

Go Ainslie!

SECOND GRADE WOMENS COACH'S REPORT

The 2019 season was a very positive season for the second grade women's team.

Pre-season training kicked off prior to Christmas, which included men's, rising stars and the youth girls. Putting the women's teams through their paces as well as getting to meet other members and coaches in the club was the focus.

End of January saw the women's first and second grade teams back on the track. It was great to see a large number of returning players as well as some new faces.

Towards the end of preseason, a couple of practice matches were set up to prepare us for Round 1, with the women's second grade kicking off a week earlier than women's first grade.

We headed down to Batemans Bay to play the newly formed Batemans Bay Seahawks. It was a tough encounter as the weather was still warm and they had a very solid team. We managed to scrape in the win and went home happy.

After Round 1, the second's team went into severe drought, losing the next six games in a row. Despite the heavy losses, the team turned up to training and games each week with the same level of enthusiasm as if it had been Round 1.

Not only was there the enthusiasm, we also recruited another five or six women and the overall skills of the team were growing each week. This saw the team have another win in Round 8 against Woden Blues. This became a thriller of a match, with Woden coming home late with goals in the third and fourth quarters; our team dug deep and repelled Woden for the last 5 minutes to seal victory.

The last nine games of the season the girls could not come up with another win, however they showed promise, grit and determination. Right up until the last match, we were able to recruit more players and play more consistent football.

The team should be proud of themselves, given that 70% of them had never played football before. We secured two wins, retained and grew the squad, and engrained a positive culture to the point that sees a number of teammates spending the off-season together.

Ainslie Football has something to look forward to next year with the second grade women's team.

It is all about retaining the girls for next season to build on what we learnt this year as a team.

I would like to congratulate the following on winning awards this year:

Best & Fairest – Bec 'VB' Veness & Kate 'Harry' Christian

Runner Up Best & Fairest – Ruby Riley-Brown

Most Improved – Clare 'Vinny' Vincent

Coaches Award – Kate Dorey

Club Person – Sally 'Mummy' Hawke

RUOK Round

THIRD GRADE MENS COACH'S REPORT

The 2019 season was a challenging one for the 3s. We fielded somewhat of a new look, younger side, having lost a few long-term contributors to retirement and relocation. In another change, Giles Tranter also stepped down after skippering the team for the previous 4 years, handing the reins to Peter "Pabs" Schroeder. Furthermore, 2019 also saw the reintroduction of the "Regional Grade", removing the likes of Cootamundra, Belconnen and Eastlake from the 3s competition, and bringing it back to a very strong seven team league.

The season opened with the tough trip to Batemans Bay to take on the reigning premiers, the Seahawks. Whilst we were able to match them for periods of the game, the Bays' consistency across 4 quarters meant they ran out comfortable victors. Another tough away fixture against the Woden Blues was up next, and despite missing some key personnel through injury (and holidays), the boys battled manfully all afternoon, only going down by 6 goals. This was followed by ADEFA away, resulting in another tough loss to take us to 0-3 for the year.

Finally with a home game, we welcomed the Googong Hogs to Alan Ray for our fourth game of the year. With basically a full squad to pick from, both the 3s and 4s recorded strong wins over the Hogs, and played some good footy throughout, setting up a huge fixture at ANU South against local rivals the Griffins. With a rare sprinkling of 2s in the side, a tight contest ensued. Unfortunately some wayward late goal kicking saw the

boys go down by 5 points. Another fighting loss to Woden came next, before getting the Hogs again on their turf. A 5 goal win over Googong gave a slight sniff of a run for finals, however eventual premiers ADEFA put a pretty quick stop to those thoughts the following week.

On field results didn't get much better from this point, as we lost our last 7 games on the trot. Whilst we did fail to break through for another win, we did have some good performances and certainly grew as a unit. Cam Hargraves continued on from his impressive showing in 2018, going one better to claim the best and fairest. Darcy Paine was his usual self through the midfield and even filling in as a tall forward at times, and Ancel Franklin put together his most complete season since joining the 3s and 4s. New players Phil O'Byrne, Hayden Thomson and Jaryd Larter were excellent additions, and Miles Davis wound back the clock to lead the goal kicking.

Credit must go to the players for the fight and camaraderie they showed across the year. Whilst it can be tough when on-field results aren't coming, the boys stuck tight with each other. Ultimately a disappointing year of on-field results was offset by a pleasing year culturally, with a really good vibe about building towards 2020. As ever, I must thank Giles for his work coaching the 4s, and Rene Chaustowski for his work running training, and driving a lot of the culture off field.

Tom Lemmon

FOURTH GRADE MENS COACH'S REPORT

Season 2019 for Ainslie's fourth grade side was a year of slow growth as the side worked its way upwards from a low point in 2018. The side used less players, was more consistent, stayed competitive for longer, continued to build a strong off-field culture and showed signs that brighter days are to come in the future.

A tough trip to Bateman's Bay first round to face a much improved Seahawk's team that was finals bound, followed by an away game against a rampaging Woden Blues, could have been cause for worry as new players tried to find their feet and the squad looked to settle. But under the new leadership of Al Bunday and Will Wright, settle is exactly what they did.

A more competitive hit-out against eventual premiers ADFA was the first sign as the defence was the first to click into gear, with the returning Josh Baum re-establishing himself as an awkward match-up for whichever forward was unlucky enough to line up on him, while Will Lucardie relished some stability in his role across half-back and through the guts and newcomer Phil O'Byrne took a shining to Aussie Rules after coming across from soccer this year. We restricted ADFA to just 47 points, one of their lowest scores for the season.

Following up this defensive effort was the undoubted on-field highlight of the season. Some rare depth in the grades above saw Ainslie field its strongest side of the year. With the defence doing its thing and holding Googong to just four goals on the day, the midfield and forward line swung into action. Another newcomer in Hayden Thomson backed up a good first game showing against ADFA with a dominant display in the guts, while small forward Jaryd Larter showed why this was the only game he'd be squeezed out of Threes for, booting 5 goals from a pocket. They were ably assisted by Matty Quade, Pete White and Todd Hennessy, while it was really pleasing to see 9 players hit the scoreboard. Definitely the most complete performance of the year and something to look forward to more often next year if the club can maintain its depth and have that filter down more consistently.

While that depth and complete match performance was never repeated throughout the rest of the season, there were more positives than negatives as the team and its players grew in spite of some disappointing patches in games which hurt badly on the scoreboard. We managed to scrape in one more win in the penultimate round against Molonglo, somehow managing to hold on in the dying seconds for a 1 goal win while trying anything they could think of to fall over. It was a real nail-biter, but the joy and celebrations after the game made it all worthwhile.

On the field, special mention goes to Will Lucardie who was an absolute rock for the first 10 games of the season as he streaked away to the Best & Fairest Award, despite

playing the last 4 rounds in the Threes, and to Josh Baum who capped off his return to footy from a knee reconstruction with the Runner Up Award and a well-deserved Third Grade debut to end the season.

Sean Harte and the Quade brothers provided plenty of energy through the middle every week trying to generate run and carry and spark us into action, Al Bunday gave his all from go to woe wherever he was asked, John Fitzgerald came back after (a long) number of years away and had an instant impact, and Squid Waring clunked plenty of marks across the forward line, though his radar may need some recalibration. Thanks as well to those Threes boys who backed up a few times this year and played 2 games in one day to lend support when numbers were thin. There were plenty of contributors throughout the year and it will be exciting to see them back again next year to continue to grow.

Off the field I can't say enough about the contribution of Rene Chaustowski. From running the bulk of training sessions, to managing the team post-match while I kitted up, and especially to instituting post-game drinks for all teams, both Ainslie and opposition, in the Memorabilia (Renorabilia) Room, he did a mountain of work that has set the foundation for the future. He tapped into the energy and enthusiasm of the players and has started to cultivate something special. It's that kind of dedication and the growing camaraderie that sees Ainslie Fourth Grade as a fun place to be, no matter the score on the field.

Thank you once again to all the players that donned the Tricolours jumper this year in fourth grade, and to all those around the club that assisted and enabled us to have representation in every grade in Canberra football. We're not where we want to be yet, but we're on the right track on the journey there.

Giles Tranter

WOMEN'S RISING STARS (U18) COACH'S REPORT

Season 2019 ended well with a fantastic team effort on Grand Final day to win the Premiership. All players contributed on the day and our willingness to stick to the goals of protecting the team mate having courage to take a risk and being prepared do something that may normally be uncomfortable saw us prevail.

Our season began well with several big wins and in a four team comp we got to know the opposition well by the time finals came around.

The last round arrived, and we were beaten by Queanbeyan who had steadily improved throughout the season and although we were leading the competition all year, we now had a tough task in front of us. We were well beaten by Queanbeyan again in a Qualifying final, so they went straight into the Grand Final. We played well against Eastlake the following week, and qualified for the Grand Final.

Our commitment to training throughout the season as a group was poor to say the least. A core group of players was committed, however we often relied on training with the U16 group due to lack of numbers.

Losses to Queanbeyan late in the season may have woken us up a little and our final two weeks of training were well attended and we trained well. Our last session of the year was unbelievable and though some doubt had crept in we went into the Final with confidence. If you train well you will play well as Ralph Rendell would say.

We were motivated, prepared and willing to compete. Some key match ups and a team effort defensively saw us smother the opposition all day and win the Flag. They are hard to get into and even harder to win so you all should be very proud of your effort.

Thanks to Jason Burgess for a great year as assistant coach and runner; he created a lot of kicks for the girls out on field and was warned by umpires every game to get off the ground, so well done. The girls loved having you around and your enthusiasm at training and game day was infectious.

Thanks to Meg Divett for managing not just the team but Jason and I for the year; it made my job of coaching easy and it was great having you there.

Thanks to Lyn Parkinson, Simon Holt and Chris Rourke in the office for your support during the season.

Thanks to Joe Hatch and Teagan Cawley for a job well done with the U16s. I hope you enjoyed the season. To have two teams in a comp and finish second and third is a great effort and the future is bright for the Girls football program at Ainslie.

Thanks to the senior women who attended our games throughout the year; it is a small effort that will one day have a big impact.

Thanks to all the parents for assistance with tasks on game day, and your support of Jason and I was wonderful. I hope we were able to teach them a little about football and life in general. I am sorry if all the girls now swear too much at home.

To all end of season award winners and those that were named in the Team of the Year - well done.

Finally thanks to the girls. I enjoyed our season together and the feeling immediately after our Grand Final win was one I will treasure for ever. Well done Sisters. BISH.

VOLUNTEERS - THE BACKBONE OF THE CLUB

2019 VOLUNTEER FEEDBACK

Volunteers were given the opportunity to provide anonymous feedback at the Volunteer Appreciation Night. Approximately 25 volunteers attended the event from across a diverse range of junior teams. We received 14 responses (56%).

- Volunteers commented on the following themes in 2019.
- 01 EQUIPMENT**
More footballs [especially size 4] and tackle bags.
 - 02 FACILITIES**
More gates open at ARO. Upgrade facilities at Reid & Majura Ovals.
 - 03 APPRECIATION**
More social events & appreciation nights.
 - 04 COMMUNICATE**
More communication earlier [pre-season]. Coordinator role works well.

2019 JUNIORS FEEDBACK

Junior Players and their families were given the opportunity to provide anonymous feedback at their respective Presentation Night. We received 107 responses.

- Juniors commented on the following themes in 2019.
- 01 BONDING**
Players and their families are seeking more opportunity to bond as a team.
 - 02 TRAININGS**
Players are seeking longer, harder trainings.
 - 03 SKILLS**
Players are seeking intensive skill sessions.

Senior's
Volunteers
commented
on the followin
themes in 2019.

01

ONE CLUB

Use pre-season, trainings, social nights, player pathways and home game atmosphere to more closely integrate teams across the club.

02

PLAYER DEVELOPMENT

Continue to develop our players holistically via football, career and person centred pathways. Education programs and strategic team connections.

03

AINSLIE PRIDE

Focus on Back to Ainslie, Home Game atmosphere and the way we look after our club to remind us of who we are and what we stand for.

04

FACILITIES

Look to reinstate wet weather training options, trainer succession planning, and equipment that has been broken.

05

VOLUNTEERS

Look to attract, retain and appreciate our volunteers. Provide greater clarity around support roles, including volunteers and trainers.

06

CULTURE

Do what we say we do. Keeping it simple so we can do it well. Instil our culture with new players and families.

JUNIORS REPORT

2019 was another successful year for the Ainslie Juniors. Our success is not fully measured by premierships; success at Ainslie means participation, inclusion, players having fun and learning some skills along the way. That said, this season we did have some success on the field, and I would like to congratulate under 17 boys Red and the under 16 girls Black for making the grand final, and the under 12 boys and Women's Rising Stars for winning premierships. The majority of teams that were eligible for finals played at least one game in the final series.

This year saw our junior registration numbers continue to increase, particularly across the youth girls age groups. This year we had 514 junior registrations (including under 8 Auskick Pro), 323 male registrations (a slight decrease from 2018) and 191 female registrations (an increase of 51 from 2018). There were also 51 registered AusKick Rookies. This equated to 26 teams (an increase from 21 in 2018) wearing the red, white and black. This year the youth girl's competition was updated to add additional age groups. Ainslie was the only club that fielded teams across all five age groups with two teams in three age groups. In 2016 female registrations equated to 7% of registrations; this year they had increased to 37%.

Like every season we had some challenges this year, teams with large squads but not enough to register an additional team and other teams requiring the support of players from other age groups to play each week. This is always a challenge and the support and understanding of players and their families is appreciated.

It would not be possible to be a successful club without the support of our dedicated volunteers. To provide an enjoyable and successful game day and training experience it takes a large number of people to fill the required roles. Thank you to our many volunteers across the variety of roles, big and small. We appreciate the countless hours you devote to our football club and making it a success.

INDEPENDENT AUDITOR'S REPORT

To the Members of Ainslie Football Club Incorporated and Controlled Entities

Opinion

We have audited the financial report of Ainslie Football Club Incorporated (the Association) and its Controlled Entities (the Group), which comprises the consolidated statement of financial position as at 30 September 2019, the consolidated statement of comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and statement by Members of the Committee of the Association and the Group.

In our opinion the accompanying financial report of the Group is in accordance with the Associations Incorporation Act (ACT) 1991, including:

- (i) giving a true and fair view of the Group's financial position as at 30 September 2019 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the Associations Incorporation Act (ACT) 1991.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Group in accordance with the auditor independence requirements of the Associations Incorporation Act (ACT) 1991 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

The Committee are responsible for the other information. The other information comprises the information included in the Group's annual report for the year ended 30 September 2019, but does not include the financial report and the auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

THE POWER OF BEING UNDERSTOOD

AUDIT | TAX | CONSULTING

RSM Australia Pty Ltd is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction.

RSM Australia Partners ABN 36 965 185 036

Liability limited by a scheme approved under Professional Standards Legislation

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Committee for the Financial Report

The Committee are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Associations Incorporation Act (ACT) 1991 and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Group or to cease operations, or have no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at: http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements cover Ainslie Football Club incorporated as an individual parent entity, and Ainslie Football Club incorporated and controlled entities as an economic entity. Ainslie Football Club Incorporated is an association incorporated in the Australian Capital Territory under the *Associations Incorporation Act (ACT) 1991*.

a. Principles of Consolidation

A controlled entity is an entity controlled by the Ainslie Football Club Incorporated. Control exists where Ainslie Football Club Incorporated has the capacity to dominate the decision-making in relation to the financial and operating policies of another entity so that the other entity operates with Ainslie Football Club Incorporated to achieve the objectives of Ainslie Football Club Incorporated. All inter-company balances and transactions between entities in the economic entity, including any unrealised profits or losses, have been eliminated upon consolidation. Where the controlled entity has entered or left the economic entity during the year its operating results have been included from the date control was obtained or until the date control ceased.

b. Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements and Interpretations issued by the Australian Accounting Standards Board ('AASB') and *the Associations Incorporation Act (ACT) 1991*. Material accounting policies adopted in the preparation of these financial statements are presented within the statements and have been consistently applied unless stated otherwise. The financial statements, except for the cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

c. New or amended Accounting Standards and Interpretations adopted

The Club has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Club. The following Accounting Standards and Interpretations are most relevant to the Club: AASB 9 Financial Instruments.

The Club has adopted AASB 9 from 1 October 2018. The standard introduced new classification and measurement models for financial assets. A financial asset shall be measured at amortised cost if it is held within a business model whose objective is to hold assets in order to collect contractual cash flows which arise on specified dates and that are solely principal and interest. A debt investment shall be measured at fair value through other comprehensive income if it is held within a business model whose objective is to both hold assets in order to collect contractual cash flows which arise on specified dates that are solely principal and interest as well as selling the asset on the basis of its fair value.

All other financial assets are classified and measured at fair value through profit or loss unless the entity makes an irrevocable election on initial recognition to present gains and losses on equity instruments (that are not held-for-trading or contingent consideration recognised in a business combination) in other comprehensive income ('OCI'). Despite these requirements, a financial asset may be irrevocably designated as measured at fair value through profit or loss to reduce the effect of, or eliminate, an accounting mismatch. For financial liabilities designated at fair value through profit or loss, the standard requires the portion of the change in fair value that relates to the entity's own credit risk to be presented in OCI (unless it would create an accounting mismatch). New simpler hedge accounting requirements are intended to more closely align the accounting treatment with the risk management activities of the entity. New impairment requirements use an 'expected credit loss' ('ECL') model to recognise an allowance. Impairment is measured using a 12-month ECL method unless the credit risk on a financial instrument has increased significantly since initial recognition in which case the lifetime ECL method is adopted. For receivables, a simplified approach to measuring expected credit losses using a lifetime expected loss allowance is available.

Impact of adoption

AASB 9 was adopted using the modified retrospective approach and as such comparatives have not been restated. There was no impact on opening retained profits as at 1 October 2018.

d. Statement of compliance

The club is a not-for-profit, private sector entity which is not publicly accountable. Therefore, the financial statements for the Club are tier 2 general purpose financial statements which have been prepared in accordance with Australian Accounting Standards – Reduced Disclosure Requirements (AASB – RDRs).

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2019

NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

e. Critical accounting estimates

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

i. Estimation of useful lives of assets

The Club determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

ii. Employee benefits provision

As discussed in note 14, the liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

f. Comparative figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

g. Historical cost convention

The financial statements have been prepared under the historical cost convention, other than where stated in Note 10 for Property, Plant and Equipment which is stated at cost or fair value.

h. Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification. An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Club's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current. A liability is classified as current when: it is either expected to be settled in the Club's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

h. Fair value measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market. Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interests. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

i. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

j. Company limited by guarantee

In accordance with the Constitution the Club is a Company limited by guarantee and accordingly no shares have been issued and no dividends recommended or paid. Liability of each member is limited to the amount of \$2.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 SEPTEMBER 2019

NOTE 4: INCOME TAX

The Committee Members estimate that the cumulative potential future income tax benefit at 30 September 2019 in respect of tax losses not brought to account is \$661,770 (2018: \$429,839).

This benefit from tax losses will only be obtained if:

(i) The club derives future assessable income of a nature and of an amount sufficient to enable the benefit from the deductions for the losses to be realised;

(ii) The club continues to comply with the conditions for deductibility imposed by tax legislation; and

(iii) No changes in the tax legislation adversely affect the club in realising the benefit from the deductions for the losses.

Income tax is payable on that proportion of the income less expenses contributed by non-members. The aggregate amount of income tax attributable to the financial year differs from the amount prima facie payable on the operating surplus. The difference is reconciled as follows:

	Consolidated	
	2019	2018
	\$	\$
Result before income tax	32,023	(592,686)
Prima facies payable at 27.5% (2018: 30%)	8,806	(177,806)
Tax effect of:		
Non deductible member expenses arising from principle of mutuality	147,871	127,796
Unders/overs from prior years	111,074	-
	267,751	(50,010)
Prior year tax losses recouped		-
Benefit of current year tax losses not recognised	267,751	(50,010)
Income tax expense	-	-

Accounting Policy

The Ainslie Football and Social Club (the subsidiary) is taxed according to the principle of mutuality. The charge for current income tax expenses is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the Statement of Financial Position date.

Deferred tax is accounted for using the Statement of Financial Position liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity.

Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

Ainslie Football Club is a sporting organisation under section 50-45 of the Income Tax Assessment Act 1997, as amended, and is exempt from paying income tax.

Under AASB139 Financial Instruments: Recognition and measurements, the investment portfolio was described as available for sale. Assets and fair value movements treated through other comprehensive income. Under the new standard AASB 9 Non-derivative Financial Instruments the equity investment portfolio is treated as fair value through profit and loss. Subsequent to initial recognition at cost, non-derivative financial instruments are measured as described below:

Financial Assets at fair value through profit and loss

The Club's investment in managed funds, listed shares and listed securities are classified as available-for-sale financial assets at fair value through profit and loss. After initial recognition, these assets are measured at fair value and movements are recognised in profit and loss.

Held-to-maturity investments

The Club's investments in fixed interest securities are classified as 'held to maturity' investments. After initial recognition, these assets are measured at fair value and movements are recognised in profit and loss.

Other non-derivative financial instruments are measured at amortised cost using the effective interest method, less any impairment losses.

The basis of valuation of land and buildings is market value based on existing use. The valuation of land and buildings at Alan Ray Oval, Ainslie Football and Social Club and Gungahlin Lakes Golf Club were carried out at 30 September 2015 by Knight Frank Valuations Canberra. The valuation of land and buildings at Wakefield Avenue, Ainslie were carried out at 30 September 2016 by Knight Frank Valuations Canberra.

Accounting Policy

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

Property

Leasehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction. It is the policy of the club to have an independent valuation on a cyclical basis, with annual appraisals being made by the Directors.

Plant and equipment

Plant and equipment is stated at historical cost less accumulated depreciation and impairment.

The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets.

An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of an asset's fair value less costs of disposal and value-in-use. The value-in-use is the present value of the estimated future cash flows relating to the asset using a pre-tax discount rate specific to the asset or cash-generating unit to which the asset belongs. Assets that do not have independent cash flows are grouped together to form a cash-generating unit.

Depreciation

The depreciable amount of all fixed assets including buildings and capitalised lease assets, but excluding freehold land, is depreciated on a straight-line basis over their useful lives to the club commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Class of Fixed Asset	Depreciation rate
Leasehold buildings	2.5% to 27%
Gaming machines	20% to 40%
Plant, equipment and furniture	5% to 40%
Alan Ray Oval, Ainslie developments	1.5% to 27%
Motor vehicles	15%

Impairment of Assets

At each reporting date, the club reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the Statement of Comprehensive Income.

Movements in carrying amounts for each class of property, plant and equipment between the beginning and the end of the current financial year. (Consolidated Only)

Short-term employee benefits

Liabilities for wages and salaries, including non-monetary benefits, annual leave and long service leave expected to be settled wholly within 12 months of the reporting date are measured at the amounts expected to be paid when the liabilities are settled.

Other long-term employee benefits

The liability for annual leave and long service leave not expected to be settled within 12 months of the reporting date are measured at the present value of expected future payments to be made in respect of services provided by employees up to the reporting date using the projected unit credit method. Consideration is given to expected future wage and salary levels, experience of employee departures and periods of service. Expected future payments are discounted using market yields at the reporting date on national commercial bonds with terms to maturity and currency that match, as closely as possible, the estimated future cash outflows.
