

Junior Footy – Season 2021

THE REGISTRATION PROCESS

A Step by Step Guide

Welcome / Welcome Back to the Ainslie Football Club (AFC).

Need help to complete your registration?

This *Step by Step Guide* is provided to assist you in correctly completing your player registration for season 2021.

Player registration is undertaken through the online registration system provided by the Sports Technology Group (Sports TG).

Which process do I follow?

The registration process that you will follow depends on which situation applies to you, specifically whether you:

- played Junior Football for Ainslie in 2020 (*returning junior football player - excludes Auskick, see below*)
- are a new player who has never played AFL before (*new player*)
- played AFL before but are new to Ainslie (*transferring player*)
- are transitioning to the Junior Football Program from the Auskick system (*transitioning player*)

The process will also depend on how many players you are registering. The available options are highlighted in **Attachments A** and **B**. For further information on the registration process relating to your personal situation click on the applicable option in the Attachments.

Transferring to Ainslie from another Club

Online registration is not available to players transferring to the Ainslie Football Club (AFC) from another Club (locally or from interstate) until after their registration has been transferred from their former Club. This generally won't be until 1 February or later (this is an AFL rule), but this doesn't prevent you from starting the transfer process now.

Players wishing to initiate a transfer to the AFC must complete the following steps:

1. Email the AFC General Manager, Simon Holt, at simon.holt@ainsliefootball.com.au with your full name, date of birth, name of last Club and number of years played with that Club
2. At the same time, make contact with your former Club and advise them of your intention to transfer to Ainslie. This is a courtesy that all Clubs extend to each other when a transfer is proposed. In some circumstances a Club representative may make contact with you regarding your reason(s) for changing Club.
3. Email Simon when you have advised your former Club and he will also send that Club a courtesy email. Assuming there are no issues, Simon will:
 - process your transfer through the SportsTG system
 - notify you when your transfer has been processed

Should there be any issues with your proposed transfer Simon will contact you.

4. Once your transfer has been processed (from 1 February) you will be able to access the online registration system and complete your registration. If, as part of this process, you are registering :
 - a single 'new-to-Ainslie' player [click here](#)
 - multiple 'new-to-Ainslie' players [click here](#)
 - a 'new-to-Ainslie player' and a returning Ainslie player [click here](#)
